## KOP'S SPEAKERS CORNER

### GET INVOLVED WITH ROTAPLAST *Chantal Eadeh, CFRS, Executive Director*

Chantal shared with our club the history of Rotaplast since its founding in 1992. In its missions, Rotaplast mainly treats patients with cleft lip, palate anomaly, and burned issues. Our speakers attributed these conditions suffered by children abroad to the likes of poor diets, pollutions, smoking, and poor hereditary features. 10 to 12 missions are carried out each year, spending \$1000 per child and treating approximately 1800 children annually. 50% of people are usually denied; patients enroll twice in the program to complete the operations; tracking is done weekly and success stories are shared throughout some beneficiaries' lives. There is always an open invitation to volunteer with Rotaplast, as many Rotarians are volunteers at such missions. To get involved you must pay for your airfare, join a team of medical and logistics staff in San Francisco, CA, and be prepared to carry 30 pieces of medical equipment as your primary task during the mission. See <https://rotaplast.org/> for more information, contact, or FAQs.

## WELCOME LILIAN

### LILIAN'S INDUCTION TO THE CLUB King of Prussia Rotary Club Rotary International District 7450

King of Prussia Rotary Club, District 7450, warmly initiated and welcome Lilian into the club. We are glad that Lilian has decided to dedicate her volunteer service to us. We would learn more about Lilian's background and what she brings to the club in the next newsletter.

### “TASTE OF SUBURBS 2020”

In preparation for the Taste of the Suburbs 2020, tickets are set for pickup during our luncheons. Unable to make the meetings to get them? Contact Bill Miller to get the tickets mailed or delivered to you. The club is offering a special discount price of \$35/ticket before April 1st and money should be delivered by April 6th. Besides, the club in need of at least 10 vendors to make the event grander.
